How you can support safety in the polling station

Wash your hands before you go voting for at least 20 seconds.

Maintain safe distance, outside and inside the polling station. (Should be 6 feet)

Check your name on the voter list outside of the polling station and note your voter list serial number. That will make it easier to find your name on the list.

Bring your own pen.

Wear your own mask, if you have one.

Use hand sanitizer in the polling station.

Follow the instructions of the polling station team and stay positive and calm! If you follow the above steps voting is safe!

How the UEC, sub-commission, and the polling station members will do their best to make voting safe

Close cooperation with MOHS to ensure regular updating of the safety procedures.

All polling station members wear a mask and maintain social distancing.
